Appendix C
Initiative Alignment to Goals

This table represents the alignment of the initiatives to the Strategic Plan Goals. The ● indicates the initiatives primary aligned to goal and the ▲ represents other secondary goals the initiative aligns to.

Initiative	Agency Owner	Goal 1: Expand Michigan's services to reach anyone at anytime from anywhere	Goal 2: Transform Michigan's services through sharing and collaboration	Goal 3: Manage technology to provide better service and faster delivery	Goal 4: Make Michigan the employer of choice for technology professionals	Goal 5: Create a statewide community of partnerships
Contract and Portfolio Management	All		▲	●		
Desktop Standardization	All		▲	●		
Directory Services	All		▲	●		
DIT Funding Model	All		●	▲	▲	
Enterprise Management System	All	▲	▲	●		
Messaging Consolidation	All	▲	●	▲		
Human Capital Management and Employee Development	All		▲		●	
Human Resources Management Network (HRMN) Process Optimization	All	▲	▲	▲	●	
Link Michigan	All	●	▲	▲		
Michigan ASK (Agencies Sharing Knowledge	All	▲	●	▲		
Michigan Digital Technology Summit	All		▲			●
Michigan Technology Committee (MITEC)	All		●			▲

Initiative	Agency Owner	Goal 1: Expand Michigan's services to reach anyone at anytime from anywhere	Goal 2: Transform Michigan's services through sharing and collaboration	Goal 3: Manage technology to provide better service and faster delivery	Goal 4: Make Michigan the employer of choice for technology professionals	Goal 5: Create a statewide community of partnerships
MPSCS 800 MHz System	All	●	▲	▲		
MPSCS 800 MHz System (Integrated Voice and Data)	All	●	▲	▲		
Rate Development	All	▲		●		
Secure Michigan Phase I	All	●	▲	▲		
Secure Michigan Phase II	All	●	▲	▲		
Secure Michigan Phase III	All	●	▲	▲		
Server Consolidation	All	▲	●	▲		
Service Delivery Improvement Initiative	All	●	▲	▲	●	
Single Sign-On	All	●		▲		
Strategic Plan Project	All			▲	●	
Technology Partnerships	All					●
e-WARS Enterprise-Wide Weekly Time and Activity Reporting System	MDA		▲	●		
Foreign Animal Disease Surveillance and Animal Disease Response	MDA		●			
GIS / Mapping Livestock Facilities	MDA	▲	●	▲		
Integrated Management of Pesticide Application, Certification, and Tracking System (IMPACT)	MDA	▲	●	▲		
Lab Lynx	MDA		●			
Health Insurance Portability and Accountability (HIPAA)	DCH		▲	●		

Initiative	Agency Owner	Goal 1: Expand Michigan's services to reach anyone at anytime from anywhere	Goal 2: Transform Michigan's services through sharing and collaboration	Goal 3: Manage technology to provide better service and faster delivery	Goal 4: Make Michigan the employer of choice for technology professionals	Goal 5: Create a statewide community of partnerships
Michigan Childhood Immunization Registry Thin Client Project (	DCH		▲	●		
Michigan Disease Surveillance System (MDSS) Mapping System Component	DCH		●			
CEPI – Education Data Warehouse	MDE		●	▲		
CEPI Single Sign-On	MDE			●		
MEAP / MERIT	MDE		▲	●		
Michigan Electronic Grants System (MEGS) Improvement	MDE			●		
State Aid Management System Improvements	MDE			●		
Electronic Drinking Water Reporting (e-DWR)	DEQ	▲	●			
Electronic Stormwater Permitting	DEQ	●	▲			
Facility Profiler Project	DEQ	●	▲			
MDEQ Office of Financial Mangement Accounting	DEQ			●		
Enhanced Records Management (libraries and historical archival records)	HAL	●		▲		▲
Michigan Electronic Library Catalog (Mel CAT)	HAL		●			
Administrative Efficiencies	DIT		▲	●		
Citizen Survey	DIT					●
Client Relationship Management (CRM)	DIT		●		▲	

Initiative	Agency Owner	Goal 1: Expand Michigan's services to reach anyone at anytime from anywhere	Goal 2: Transform Michigan's services through sharing and collaboration	Goal 3: Manage technology to provide better service and faster delivery	Goal 4: Make Michigan the employer of choice for technology professionals	Goal 5: Create a statewide community of partnerships
Cyber-State.Org Board	DIT			●		▲
Development of a Statewide Systems Development Lifecycle (SDLC)	DIT			●		
e-Democracy	DIT	▲				●
Homestead Exemption	DIT		●			▲
IT Asset / Inventory Management	DIT			●	▲	
Management and Use of Independent Research Firms	DIT			●		
Michigan Master Training Contract	DIT			●		
MiDEAL	DIT			▲		●
Organization Participation	DIT					●
Project Management Tools and Methodology Rollout	DIT			●		
Rated Database Services for Oracle	DIT			●		
Return on Investment (ROI) Training	DIT			●		
Statewide Intranet Initiative	DIT	▲		●	▲	
Technical Architecture	DIT			●	▲	
Training Needs and Skills Inventory	DIT			▲	●	
Vision and Values Initiative	DIT			▲	●	
Wayne County: Connecting the Partners	DIT					●
Wireless Infrastructure	DIT	●		▲		
Broadband Implementation	DLEG	●		▲		
Career Portal Enhancements	DLEG	▲	▲	●		

Initiative	Agency Owner	Goal 1: Expand Michigan's services to reach anyone at anytime from anywhere	Goal 2: Transform Michigan's services through sharing and collaboration	Goal 3: Manage technology to provide better service and faster delivery	Goal 4: Make Michigan the employer of choice for technology professionals	Goal 5: Create a statewide community of partnerships
Electronic Data Interchange (EDI) / Insurance Proof of Coverage	DLEG			●		
Labor Market Information Improvements (LMI)	DLEG			●		
Michigan Talent Bank	DLEG	●	▲	▲		
Michigan Timely Application Permit System (MITAPS)	DLEG		▲	●		
Online Business Startup, Phase III	DLEG	▲	▲	●		
Remote Initial Claims Centers (RICC)	DLEG	●	▲	▲		
Statewide e-Grants Portal	DLEG		▲	▲		●
Technology Tri-Corridor	DLEG	▲				●
E Procurement	DMB		●			
Vision ORS	DMB	●		▲		
University Purchasing Consortium	DMB					●
Enterprise Kiosks	DNR	●		▲		
Land Ownership Tracking (LOTS)	DNR			●		
Michigan Natural Features Inventory	DNR	●				
Michigan Recreation Boating Information System II	DNR	●				
Vegetative Management System (VMS)	DNR			●		
Contract Management System (S-TRAK)	MDOT		●	▲		
Digital Oasis	MDOT	●				▲

Initiative	Agency Owner	Goal 1: Expand Michigan's services to reach anyone at anytime from anywhere	Goal 2: Transform Michigan's services through sharing and collaboration	Goal 3: Manage technology to provide better service and faster delivery	Goal 4: Make Michigan the employer of choice for technology professionals	Goal 5: Create a statewide community of partnerships
FieldManager Upgrades Project	MDOT			●		
FieldNet Enhancement Project	MDOT			●		
Materials Management System (MATMS)	MDOT			●		
Operational Highway Maintenance Data Collection (OHMDAC)	MDOT			●		
Project Accounting and Billing (PAB)	MDOT			●		
Call Center Services	Treasury		●	▲		
Central Electronic Payment Authorization System (CEPAS)	Treasury		●	▲		
Coordination of Treasury's Oversight and Support of Services to Units of Local Government	Treasury		▲			●
Increase Public Access to Treasury Services	Treasury	●		▲		
Integrated Tax System	Treasury	●		▲		
Motor Fuel Compliance	Treasury			●		
Treasury Reporting	Treasury			▲		●
Children's Action Network (CAN)	FIA		●	▲		▲

Initiative	Agency Owner	Goal 1: Expand Michigan's services to reach anyone at anytime from anywhere	Goal 2: Transform Michigan's services through sharing and collaboration	Goal 3: Manage technology to provide better service and faster delivery	Goal 4: Make Michigan the employer of choice for technology professionals	Goal 5: Create a statewide community of partnerships
FAP Payment Accuracy	FIA			●		
FIA Financial Program Integrity Initiative	FIA			●		
Michigan Child Support Enforcement System (MiCSES)	FIA	▲	▲	●		
Service Worker Support System – Child Protective Services (SWSS-CPS)	FIA	●				
WIC – Electronic Benefits Transfer	FIA	●
